## BIOGRAPHY

Matteo Giordano is a motion and graphic designer focus on brand identity and visual communication with love of typography, minimalism and innovation. Graduated in "Digital & Virtual Design" at Turin European Institute of Design in 2012 and specialization in "Type Design" at Poli.Design in Milan, he began his working career at the Pininfarina Headoffice of Cambiano, where he served an internship as graphic designer. He presently works as lead motion graphic designer for Alta Vision Network Alessandria.
